

How does the HondaGO Volunteer Program work?

Who is eligible to become a HondaGO Volunteer?

All full-time Honda* associates and their spouses/Same-Gender Domestic Partner (SGDP), all Honda retirees and their spouses/SGDP's, and all Honda part-time associates and their spouses/SGDP's.

What organizations qualify?

An organization is eligible if it has been designated by the Internal Revenue Service as a non-profit tax-exempt public charity under Section 501(c)(3) (an organization in the Advance Ruling Period for 501(c)(3) certification is not eligible). Non-profit schools may also be eligible for the program. It is the volunteer's responsibility to check with the non-profit organization to determine eligibility.

What organizations are excluded?

"Dollars for Doers" grants cannot be considered for political groups, labor organizations, trade or business organizations, fraternal social or service clubs, churches and religious groups (except for non-sectarian social services activities available to the broader community, such as senior centers, church owned housing projects, and recreational services). If an organization intentionally certifies or provides false information on a "Dollars for Doers" grant request form, that organization will no longer be eligible to receive a grant. From time to time, Honda may request that an organization verify the accuracy of the information provided on any grant request form. If an organization fails to cooperate in responding to such an inquiry, the organization will no longer be eligible to receive a grant.

Other requirements:

One-time fundraising events do not qualify (except if the event is in conjunction with an agency for which the HondaGO Volunteer regularly volunteers). "Dollars for Doers" grants cannot be used to fulfill personal pledge obligations or to otherwise directly benefit the HondaGO Volunteer or a member of the HondaGO Volunteer's family (for example, a "Dollars for Doers" grant cannot be used towards organization dues or participation fees for the HondaGO Volunteer or any member of the HondaGO Volunteer's family).

Believing is doing. Here's how...

HondaGO Volunteers* may apply for a \$250 “Dollars for Doers” grant after having volunteered a minimum of 50 hours during a 12-month period to one eligible organization.

HondaGO Volunteers may apply for only one \$250 “Dollars for Doers” grant per 12-month period and only one grant per family per 12-month period. The 12-month period begins upon the anniversary date of your previous “Dollars for Doers” grant payment. Volunteer hours accumulated prior to your employment at Honda cannot be counted. Hours of service must be given during the volunteer’s personal time. “Dollars for Doers” grants must be used for the general benefit of the organization and cannot be used to directly benefit the HondaGO Volunteer or any member of his/her family.

If two HondaGO Volunteers are both Honda associates and volunteer a minimum of 50 hours each, a grant will be awarded on behalf of each volunteer. The HondaGO Volunteers may combine their hours of service to accumulate 50 hours or the spouse/Same-Gender Domestic Partner (SGDP) may volunteer all 50 hours.

At Honda*, we have built our entire organization on those very beliefs. We know that commitment to quality and service begins with the actions of each individual, extends through the entire team and ultimately impacts the communities where we live.

Honda has provided “Dollars for Doers” grants and demonstrated support for associates in their volunteer efforts since 1995. At Honda, community involvement is more than financial contributions – it’s personal involvement. Honda encourages individual participation through programs like the HondaGO Volunteer Program and “Dollars for Doers.”
